CHURCH MEETING

Resolution Offered by Dr. Molloy at Synod at Shelbyville

Considerable comment was created at yesterday morning's session of the Kentucky Synod of the Southern Presbyterian Church at Shelbyville during the discussion of the formal acceptance of an invitation extended by the Northern Synod to attend the inauguration of President Hinnitt of Central University at Danville Thursday.

The acceptance was agreed on, but Rev. J. C. Molloy of this city offered a resolution stating that if this invitation was accepted it would be regarded by the General Assembly of the Church as an indication that the Southern branch wished closer union to the Northern division.

The resolution created much excitement, but Dr. Molloy was ruled out of order by Dr. Lyons, the Moderator.

CLOTHES-LOGY!

Is the science of Clothes, including knowledge of cloth, handicraft in making, economy of production and artistic originality of design. A technical knowledge of the first three is important, but it is the last that reveals the creative master mind. Hence, gentlemen, our Mackinette and Cravenette Overcoats bearing the mark "R. & W." are so popular with our good dressers they are made under above-named conditions. Young gentlemen, you who have never worn one of our Rochester-made Suits, just slip into one; "she'll" see the difference. There is an individuality to them that at a glance distinguishes them from all other makes. Our Shoe business is growing to such proportions that we added the celebrated "Walk-Over" Shoe to our line. Hanan, Douglas and Walk-Over, the three best lines in the country, are now found in our house. Corduroy Suits and Pants are now in order. We have an immense stock of them. Special inducements in Corduroy Pants to merchants. Price ours before you buy them in Cincinnati; we'll save you money. When hunting season begins be sure and get one of our Sweaters.
